Are you interested in the following SECO programs?

The SECO Angel Fund "PENNIES FROM HEAVEN" is a program to help improve the human condition in Sumter Electric's seven-county service territory. The Fund is intended to help meet humanitarian needs in our community which might not be met through other means.

If you decide to be part of the program, your monthly electric payment will be automatically rounded up to the nearest dollar. The few pennies you donate each month are added to the rest of the SECO membership contributions to help those in need with energy assistance, personal tragedy, and much more.

Small change that changes lives

☐ YES, enroll me in "Pennies from Heaven" program.

☐ NO, do not enroll me in this program.

Power surges can cause damage to your household appliances and sensitive electronic equipment. SECO has designed a program to assist you, the member, in protecting your valuable assets. **SECO'S SURGE MITIGATOR** helps prevent power surges from entering into your home through electrical spikes caused by lightning, animal or bird interference, downed power poles etc.

The basic package includes a service entry unit installed behind your meter. To apply for immediate protection, a low, one-time installation fee of \$25.00 is required, plus a \$5.95 monthly service charge that is included on your electric statement. The enrollment period is for a minimum of one year. The equipment, including the inside surge protector package, remains the property of SECO.

☐ YES, I want to take advantage of this excellent opportunity to protect my household. Please have a SECO representative contact me to complete the necessary paperwork.

☐ NO, I do not want to take advantage of this program.

Sumter Electric Cooperative Membership Agreement

The applicant has received a copy of the most current Bylaws which outline the responsibilities of the Cooperative and its members. In addition to complying with the contents of the Bylaws, the applicant hereby grants to the Cooperative a right-of-way easement, pursuant to SECO's Terms & Conditions of Service Section 207.3 (B), to maintain an electric line, drop-off or system, with all necessary wires, poles and fixtures thereon, and to allow the Cooperative to have access to the right-of-way for maintaining, repairing and other functions necessary to the use and operation of said line, as well as to read the meter or to trim foliage trees and brush as may interfere with said line. The applicant further agrees to sign all documents necessary to record said right-of-way in the public record should the Cooperative so desire. It is further stated by the applicant that the applicant owns said property or had authorization to grant such right-of-way.

Statement of Non-Discrimination

Sumter Electric Cooperative, Inc., has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will fully comply with all requirements of Title VI of the Civil Rights Act of 1964.
