

Application to participate in the

Bank Draft Program

a more convenient way for members to pay their electric bills

One of SECO's Benefit Services to members is our Bank Draft Program which allows you to authorize the automatic payment of your monthly electric bill from your bank account. Payment to SECO is made directly from your account on the due date that appears on your monthly bill statement. Your monthly statements will continue to be mailed at the regular time, indicating the amount to be deducted from your bank account. Electric bills are sent out two weeks before they are due, allowing time for resolution of any questions regarding the bill prior to payment.

Allow one to two months for enrollment. To apply, follow the instructions to complete this application and send it to SECO Bank Draft, PO Box 301, Sumterville, Florida 33585, or drop it off at any local SECO office.
